Farm and Country Fair

This week, classes 6 and 8 went to the farm and country event at Wadebridge. We set off at 9 o'clock in the morning, it took three quarters of an hour to get there, but we arrived sooner rather than later! Immediately we spotted adorable animals and smelt the smell of manure, which is how we knew we had arrived.

Our first activity was making eggy bread; once it had cooked, we were allowed to eat it...mmm delicious. Manu from class 8, got to cook some of the eggy bread she said, "I want to be a chef when I am older!"

Next we split into our three groups (I am sorry I cannot tell you all the activities there were so many!) My favourite activity was the ice cream, we learnt all about the process of making it and then we got to eat it. Yummy. (Murray class 8) Some of the other activities were: apple pressing, butchery, grain milling, pasty making, eggs and chicks, a variety of animals, a milk parlour, lots of farm machinery, potato planting, bee keeping, plastic tide and many more.

We had a jam-packed day of learning about Cornish farming from many different aspects and stages. What a fun trip!

Performing Arts Showcase

On Monday 26th March the second Performing Arts Showcase was presented by all the pupils of Kimberly Oram Performing Arts at Bosvigo School. These included a varied selection of pieces for solo voice, some exciting debut piano, the KS1 Music & Song Club both in song and playing a group composed percussion piece, concluding with the Drama Club who staged "Ava's Dream".

Solo singing performances were given by Mattie Roach, Molly Harvey, Izzie Berry, Maia Dattani-Lister, Angus Banks, Ruby Alderson, Olivia Oram and Arthur Coutts. Lily Wheeler, Daniel Ashby and Iris Horrill each gave their debut performances as pianists.

The KS1 Music & Song Club are; Arthur Canavan-King, Rosa Canavan-King, Eileen Cheung, Telia Groves, Destiny Hammond, Lily Hammond, Hope Headland, Demi Hillier, Destiny Hillier, Orla O'Kane, Jacey Penhaligon, Josh Reynolds and Macie Worthington.

"Ava's Dream" is a group devised piece that took on a life of its own! The original concept, "A Spooky Spectacular", was intended as a series of self-devised small group pieces, interspersed with monologues and duologues, written by the children themselves or selected from prose & poetry. However, the Club became really inspired and the final piece was a culmination of their collected imaginative responses woven into quite a complex and exciting storyline. The children really took the concept and ran with it! We used music, movement, poetry, scripted dialogue, simple props and stage effects, mime, mirroring, sound effects and many other dramatic devices to tell our woeful tale. Parents leaving the production said that they were a little worried they may not sleep that evening!

The Cast were;

Boy	Arthur Coutts
Girl	Thea Craze
Puppet Master	India Freeman-Salter
Puppets	Izzie Berry & Olivia Oram
Cat	Iris Horrill
Kittens	Ava Gabriele, Isla Coutts & Izzie Berry
Crocodile	Mattie Roach
Werewolves	Amelia Santolamazza, Amara Franklin-Gerry, Hayley Cornell & Ava Gabriele
Goblins	Phoebe Bullen, Piper Donald & Noah Dowse

Thank-you to all parents, carers, families, and staff who supported this evening. The hall was full to bursting and your enthusiasm for the Performing Arts is thoroughly appreciated by all of the performers, after all, it is so important to share the outcomes of their work with an engaged and appreciative audience, this is the complete circle of performing and helps lead on to next steps in self discovery and development.
