South West Regional Table Tennis Finals

On Sunday, eight girls and boys from Year 6 travelled to Eggbuckland School in Devon to take part in the regional finals of the Under-11 English Table Tennis Championships.

Taking on the champions of Devon, Dorset and Somerset, our boys and girls faced some seriously strong competition, but each and every one played terrifically. The boys came through some very tough games to finish third overall, whilst the girls managed to go one better, finishing in second place and earning a place in the South of England finals next month.

All eight players represented Bosvigo brilliantly and can be proud of their performances on the day. Well done!
