LKS2 trip to the Museum

As a fantastic start to the Roman topic LKS2 took a visit to the Royal Cornwall Museum. The children were able to handle real Roman artefacts! These included; coins, mosaics, mirrors and kitchenware (amongst many others.)

One of the artefacts that was closely looked at was the fascinating clay lamps. The children were then able to design and make one of their very own! Children moulded the clay into a standard Roman clay lamp and then transformed them into an animal.

It was a very interesting, fun (and slightly messy) day.

Year 5 and 6 visits to @Bristol

This week children in Year 5 and 6 have been making the journey up to Bristol to visit the amazing @Bristol science museum (now also known as We The Curious).

Each class has had a wonderful time exploring the interactive exhibits and experiencing the superb guide to the solar system and beyond in the planetarium. We have learned a lot about science and engineering and can't wait to take more Bosvigo students in 2019!

Girls' Football Skills Festival

On Friday a squad of Bosvigo girls travelled to Penair School to take part in a football skills festival. The girls had a great time practising their passing, dribbling and shooting skills and are looking forward to some friendly matches in the near future.
