What can Bosvigo learn from British Values?

Over three days in October, the whole school visited the Baptist church to learn about "British Values" and enjoy some quiet reflective time.

There were lots of different activities for the children to explore.

One was a tent with blankets and a BIG bear inside. Breda and Martha from Class 8 said that they loved how cosy and safe they felt in there.

There was a key unlocking wall which represented the poor choices we sometimes make and it encouraged us to think about how we can change them into better choices.

Torrunn explained that his favourite space was finger printing because it showed that there is no-one else in the world like us and that we are unique.

Have you ever thought that no one is listening to you? Speaker's Corner gave everyone a chance to have their say!

Several children made a second visit after school and shared the activities with their families.

Thank you to the Baptist Church Team for helping us understand how we can care about others' feelings and treat other people as we would like to be treated.

We are introducing a pre loved uniform stall to help raise funds for our school and keep uniform costs down for families. We would really appreciate any donations of uniform including shoes and PE items. Please hand any donations to the school office.

.Also wanted....any wellington boots for school garden project!

Thank you!

Kite flying at Perranporth Beach

Before Half Term our Key Stage 1 classes tested out the kites they made when they travelled to Perranporth Beach.

Whilst not all of our kites soared up into the air, there were plenty that enjoyed a brief flutter in the sky and we had great fun making sand sculptures and searching for beach treasures. Class 5 even found time for a bit of limbo!

Sadly, the bad weather meant that Class 3 could only get as far as Boscawen Park for their kite flying this week, but we will be making sure they get a trip to the beach soon.

Thank you!

We challenged the children of Bosvigo to help Falmouth RNLI celebrate 150 years of saving lives at sea and around our beaches.

This year, the lifeboat station needs to raise £100,000 to create a new building for its next larger, faster lifeboat.

The children took part in different events. Some families were invited to visit a special art gallery while others were invited to sponsor their children run or row.

In just three weeks, the whole school raised over £1,500!

In the future, many more lives will be saved because of your interest and generosity.

We thank everyone.
You have made a difference!
