### LKS2 become Rainforest Rangers

LKS2 ventured deep into the rainforest last week to undergo training to become Rainforest Rangers! Our training began by deciding what equipment we would need and if we had the strength to carry it. We then made our way through the rainforest looking out for animals and plants that would help us with the three things we needed to survive: food, water and shelter.

Class 7 were looking for the bamboo plant as they were hoping to use it to build shelter, as well as using it as a trap for animals! Robin said, "I thought it was really fun, I liked it when we found a hut that somebody had built and the water was pouring down on us!"

Cara from Class 6 said, "I loved the cloud bridge and how it squirted steam everywhere. You could hardly see!"

We all had a fantastic day and think we'd have no problems surviving in the rainforest

**FOBSA Fundraiser  
Bosvigo 'Bags for Life'**

We have a limited supply remaining of our Bosvigo 'Bags for Life'. **Only £4 each**, there is a different design for each year group containing self-portraits of the children.  
Available from the office - get them while you can!

**FOBSA Fundraiser  
Cake and pre-loved uniform sales**

Look out for these fortnightly sales after half term in the school's Chapel Hill playground.

**Do you have any pre-loved, washed uniform you could donate?**

A different class will run each cake sale so you will be asked nearer the time if you are able to bake/donate cakes when it is the turn of your child's class.

Thanks!

*Dear Parents*

*We are delighted to announce that we are very busy in Wraparound after school and we really enjoy the children's company and energy.*

*I would just like to remind you that we cannot accept children in to Wraparound unless they have been booked in in advance. We are now often full to capacity at the after school sessions and can only accept the children that are booked on to the system. If you book your child in, it is also worth double checking the sessions you have booked and paid for to confirm for peace of mind. We would always do our very best to accommodate emergency bookings but we must adhere to our ratio and risk assessment requirements to ensure your child continues to receive the very best care whilst they are with us.*

*We would also be grateful if you could contact the Wraparound Team and the school office in advance if you need to cancel or amend your child's session, this helps prevent any confusion for the children at the end of the day and can enable us to free a space for another child.*

*Many thanks*
